Portfolio is a free platform for young people living under the age of 25 in Kent and Medway to get their art and ideas out in the world. This year we have partnered with Windmill Community Gardens, who invite you to embrace this years theme:

Adapt

Plant your creative seed now and see what grows by the deadline
April 19th 2024.

Windmill Community Gardens Margate seek to create a safe and sustainable environment for people and nature work harmoniously together by utilising what is available, sharing resources and reusing materials.

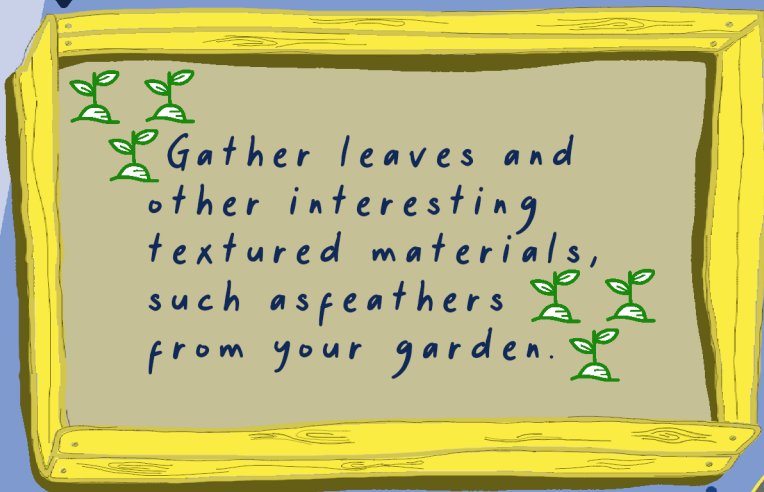

Through the theme ADAPT, we hope to encourage aspiring artists to take a closer look at their surroundings, explore sustainability and find innovative ways to create art.

Harvest your inner curiosity and show the world, **HOW YOU ADAPT.**
