

Panoramic seascapes.

World-leading art.

A fully-customisable events space.

And an events team who know how to bring your vision to life.

Imagine the big day your way at Turner.

Your wedding should be all about you. At Turner we provide you with modern, light-filled spaces and a team of planners and local suppliers to realise your vision for the day. Be it maximalist flowers or sophisticated elegance.

The ceremony

Say "I do" nestled among our latest exhibition with the dramatic North Sea as your backdrop in our Clore Learning Studio. Up to 120 of your nearest and dearest can share the moment in a space that needs minimal dressing to feel celebratory, light and intimate.

Get the party started

Vows made and certificates signed, your party can head out to the terrace ready to pop the champagne and throw the confetti. Your choice of drinks and canapes combine with sunset views across the harbour to keep guests happy while you slip off to catch your breath, and the moment, with your photographer.

Eat. Drink. Party.

Your meal and after party take place in the Foyle Rooms. A blank canvas to unleash your creativity, with floor to ceiling windows looking out over your own private balcony and that signature seascape. Our team can help you decide what you want to do with the space. Creating a bespoke plan just for you. Then we can source planners, suppliers and services to bring every detail to life. Ready to eat? We work with a select list of local and sustainable suppliers allowing you to create a menu in keeping with your tastes.

Dance the night away

After dinner you'll have exclusive access to the entire ground floor for the evening. And while you admire the sunset, we'll transform the Foyle Rooms for up to 150 guests. Creating a party atmosphere fit for your best moves. Finally, at midnight you'll end your evening stepping out under the stars to the sounds of the nearby waves, ready to start the rest of your lives together.

Want to extend your stay?
